

## HOMA-Civilizational Dialogue And Harmony Foundation

*Bridging Civilizations,  
Fostering Harmony,  
Empowering Minds*

A global initiative to advance inter-civilizational, intercultural, and interreligious understanding for a peaceful and prosperous world.

## WHO WE ARE

HCDHF is a pioneering organization committed to:

- Creating a Harmonious Society: Promoting understanding and mutual respect across cultures and religions.
- Education Empowerment: Supporting underserved and marginalized communities through education and research.
- Sustainability and Divine Wisdom: Aligning educational, environmental, and ethical sustainable development goals with religious teachings for a better world.

MOVEMENT SHAPING A HARMONIOUS  
AND SUSTAINABLE FUTURE.**

**HOMA-Civilizational Dialogue and  
Harmony Foundation**

1st Floor Parray Complex Baghat Barzulla  
Srinagar Kashmir 190005

# VISION

A world where diversity and coexistence engage research and development to foster global peace, harmony, and sustainable prosperity.

## KEY FOCUS AREAS

- ✓ **Creating a Harmonious Society:** Promoting understanding and mutual respect across cultures and religions.
- ✓ **Education Empowerment:** Supporting underserved and marginalized communities through education and research.
- ✓ **Sustainability and Divine Wisdom:** Aligning educational, environmental, and ethical sustainable development goals with religious teachings for a better world.

## MISSION

- 1. Foster Inter-civilizational, Intercultural, and Interreligious understanding** to enrich the worldview of youth for a better and prosperous world.
- 2. Support Research and Scholarship:** Conduct and disseminate interdisciplinary research on worldview, civilizational dialogue, and religious studies, focusing on ethical, harmonical, environmental, historical, philosophical, social, theological, and other crucial dimensions, such as the empowerment of students from underserved and marginalized communities.

### 3. Enhance Educational Outreach:

Develop and implement educational programs that promote awareness of global cultural and religious diversity, fostering peaceful coexistence.

### 4. Preservation of Cultural and Religious Heritage:

Support the preservation of cultural and religious heritage while promoting advanced approaches to cultural and religious expression and understanding.

### 5. Foster Global Collaborations:

Engage in international partnerships and collaborations to promote global peace, cultural and religious exchange, and mutual understanding for the common good.

## OBJECTIVES

### • Facilitate Dialogue and Exchange:

Organize forums, conferences, and workshops to explore shared challenges and opportunities in diversity, coexistence, and harmony.

• **Research and Scholarship: Focus on** disseminating interdisciplinary research on worldview, civilizational dialogue, and religious studies.

• **Support and Empower students** from underserved and marginalized communities.

• **Implement Educational Programs:** Develop curricula and educational resources promoting intercultural and interreligious understanding and respect.

• **Promote Cultural and Religious Understanding and Advancement:** Advocate for the understanding and revitalization of cultural and religious heritage.

• **Engage in Policy Advocacy and Partnership:** Work with policymakers, cultural and religious organizations, and civil society groups to advocate for policies supporting inter-civilizational dialogue.

• **Global Collaboration:** Partner with national and international organizations, academic institutions, and research centers to facilitate cross-cultural and interreligious exchanges and joint research projects.

## ROADMAP

• **Establishing A University:** A dedicated institution to advance research education in civilizational dialogue, ethics, and sustainability.

• **Research Centers:** Specialized centers for interdisciplinary studies on culture, religion, and sustainable development.

• **Global Outreach:** Expanding partnerships with organizations and thought leaders worldwide.
